Jamie, Mark,

I would like to express my thanks to you both and the rest of the team, for the energetic and professional way in which my sale was approached and executed. My property was a challenging project in many ways, but your positive and enthusiastic attitude were, I am sure, major contributors in the final successful outcome. I felt fully informed of the twists and turns of fate throughout the process, and always felt that an honest assessment of the circumstances was being reported to me.

Thank you all.
